

Instruction & Usage for “THE CKB EASYBUY extension”

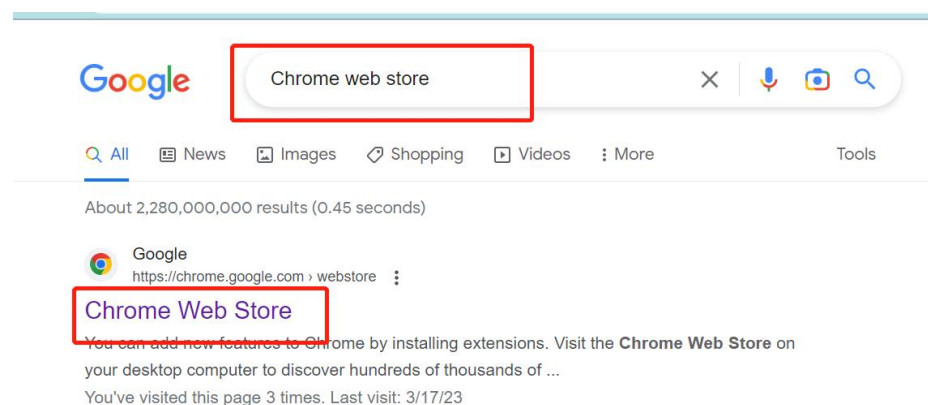

This tool can let you find the same hot sell products as alibaba.com, amazon.com, ebay.com, Aliexpress.com those platforms with the original cheaper several times price. In this instruction we will use alibaba.com as example.

Before installation and use, There are 2 things need to be done first:

- ① Please offer your gmail for register. You can log in directly with your email later.
- ② We will share you a google sheet link for you to bind with the extension before start shopping.

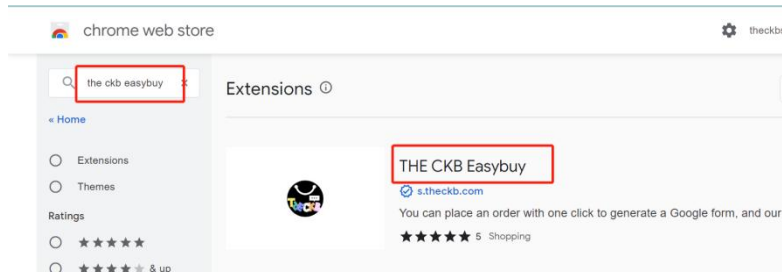

Part I: Installation

Step 1: Search “Chrome web store”

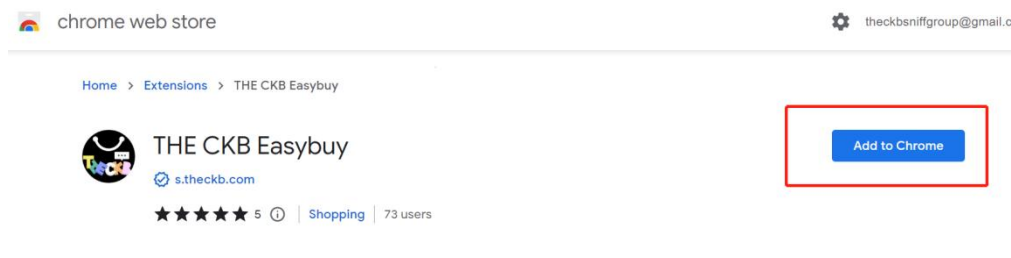

Step 2: Enter “THE CKB EASYBUY” in the bar, and then

click the extension

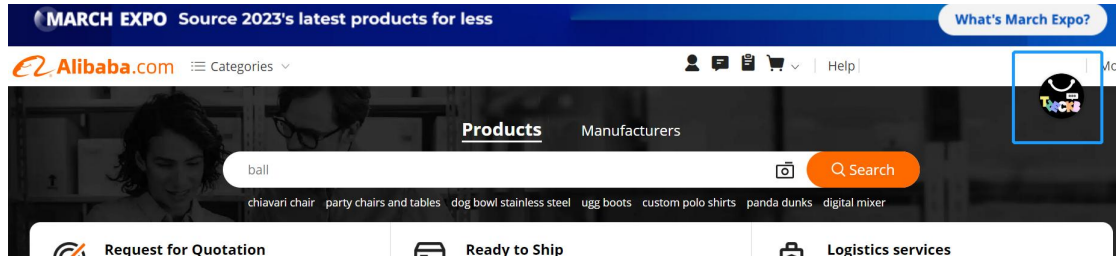

Step 3: Click “Add to Chrome”, then confirm “Add extension” to finish installation

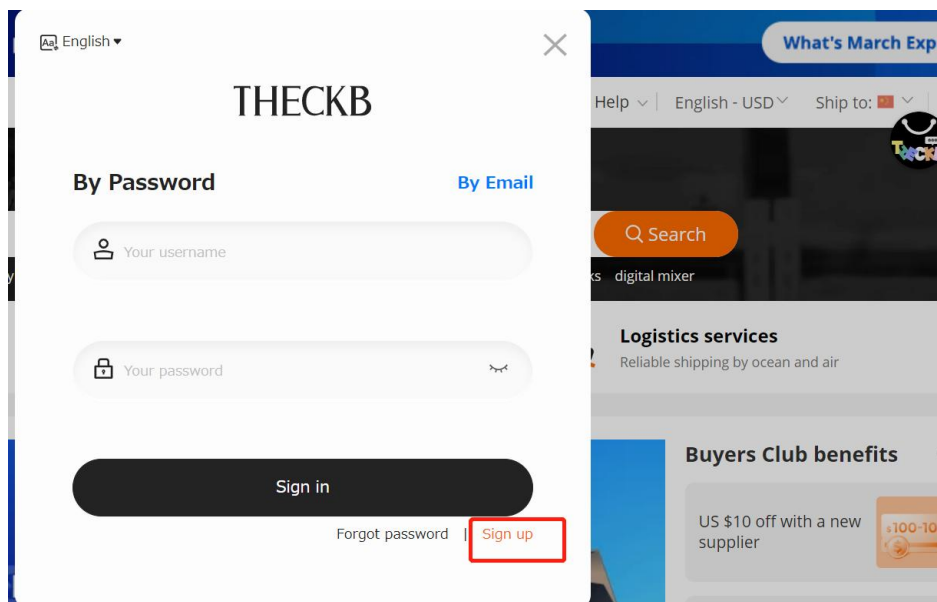

Part II: Usage flow

Step 1: Open Google browser and enter “alibaba.com” (or any other EC site in China) and search

Step 2: Click the extension mark, Enter you email(G mail) and password to Sign in (PS: The email need registered first with your email verification code)

Enter a product or s...

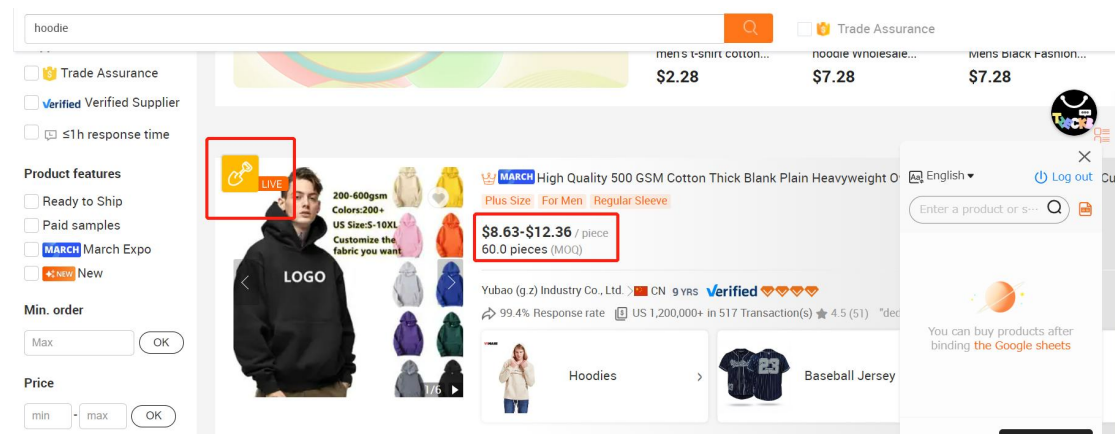

You can buy products after binding the Google sheets

Qty: 0 My Sheets

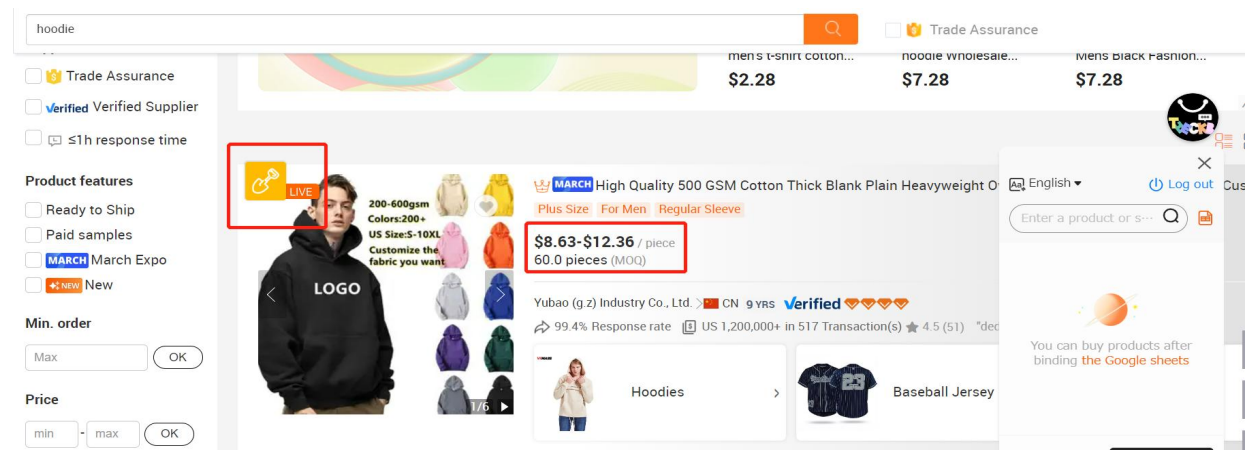

Step 4: Copy the google sheet link of “PRODUCT INFORMATION” sheet and paste it to the bar, then click “Ok” to finish bidding

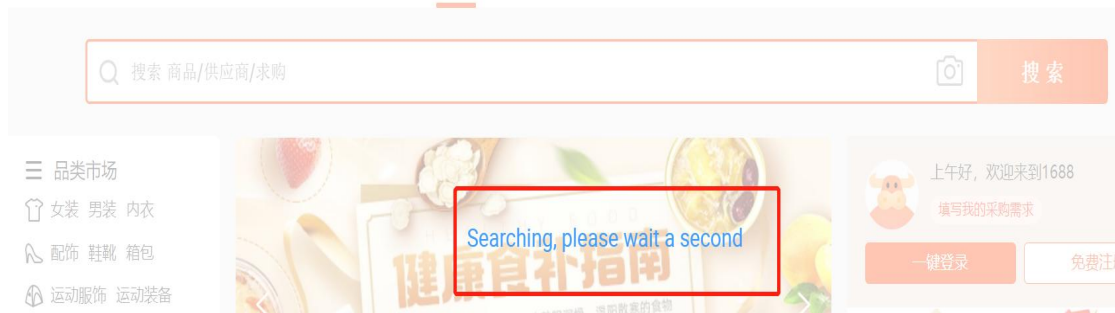

Congratulation! Then you can start to use this tool

Step 5: Search any product name you want in alibaba.com,for example”hoodie”

Step 6: Put your mouse on the product, You can also click the “Golden shovel” upper left corner to find the same style on 1688(China original factory price website)

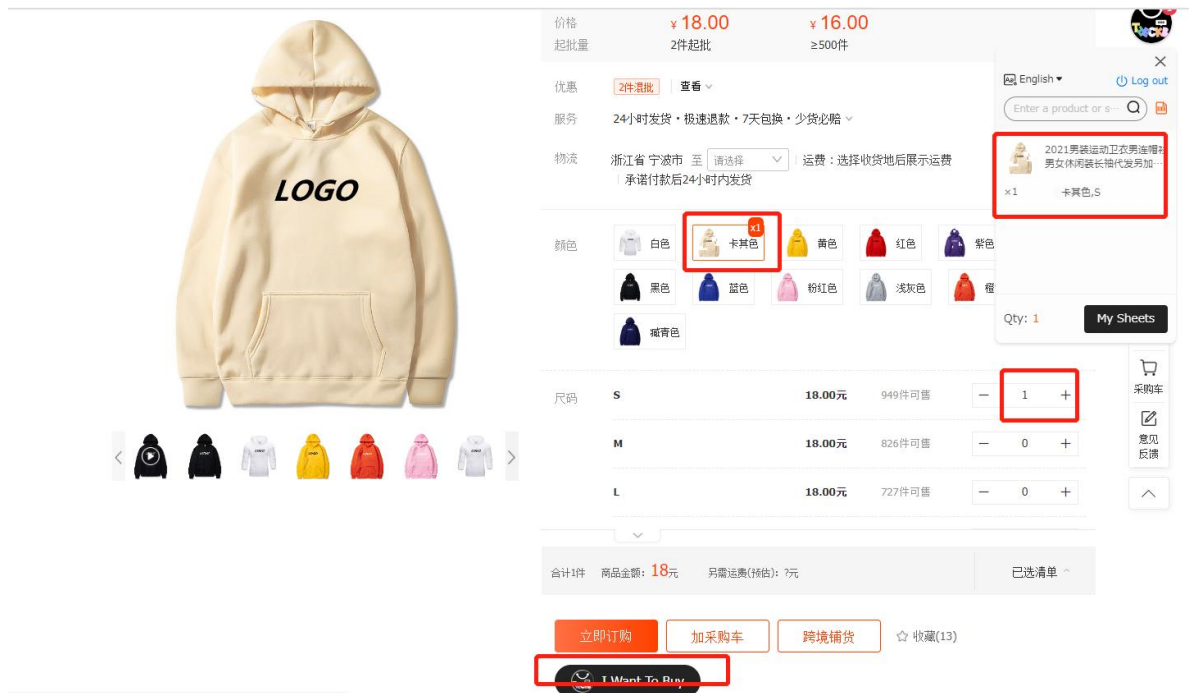

In this picture, you can see the price on 1688 is more cheaper than Alibaba.com,(\$1=7RMB) you can add product on 1688 in your cart.

Step 7: Click the product to choose a SKU and click “I WANT TO BUY” to add the the products to google sheet

Step 8: You can check the items you added and delete any of it if you do not want it later in the column.

Step 9: Click “My Sheets” to check the detail information of the products you wanted.

Step 10: We will buy the products for you as per your google sheet. If your quantity is big, we will negotiate price for you with the factory.
